

Photo shows an RGB Hathaway design custom built for an individual RGB homebuyer and may show optional features which vary from the standard plan. Refer to the floor plan for standard plan features which you may customize to make your new RGB home everything you want it to be.

The Hathaway Design

Don't let the old-fashioned charm of a covered porch fool you, this 3 bedroom, 2 1/2 bath home caters to a totally modern lifestyle with well-planned spaces and convenience at every turn.

The family room provides a fireside lounging area and invites a separate cluster of seating in the stairside nook. Informal and formal dining areas are both easily served from the kitchen while

a convenient door to the deck lets backyard barbecues become an anytime treat.

Upstairs two comfortably-proportioned bedrooms share the hall bath, while your personal suite is your private retreat complete with a walk-in closet, and a pampering bath with a generous soaking tub, a separate shower, and the convenience of twin vanities.

Look for the name brands you know mean quality, and check out RGB Quality Building Features at www.RGBhomes.com
